Help us continue to support Birdville High School's award winning theatre program. Your booster club membership dollars allow us to provide financial support for costumes, program printing costs, and other necessary expenses for the BHS main stage and musical productions. We also provide scholarships to deserving graduating Thespians.

Booster Club volunteers also assist the program by raising funds. We conduct other fundraisers throughout the year as well. We provide important support to the Theatre Directors in any way we can, such as: helping run front of house operations during productions; providing assistance with costumes; assisting during technical build days; assisting with ticket sales, program ad sales; ensuring communication, etc. Please contact us with any questions at bhstheatreboosters@gmail.com.
